✓ **Easy Install**

Description

Cooee Spaces Walls are modular, freestanding partitions designed to shape the way we work, learn, and collaborate. Available in two widths and full or three-quarter heights, these lightweight walls offer layout flexibility—whether you're creating quiet retreats, team zones, or adaptable open spaces.

Each wall is constructed with an ultra-lightweight core and framed in a proprietary powder-coated aluminium extrusion for strength and stability. The surface is finished in your choice of acoustic PET colors and designs, helping to reduce noise and visual distractions for a more focused environment.

A discreet magnetic cable cubby provides seamless wire management, allowing power to run internally through the wall. The hinged, flush-fitting cover opens effortlessly for easy access and snaps back into place to maintain a clean, uninterrupted profile. It's a smart integration that supports charging and connectivity—without compromising on aesthetics.

Choose from a range of powder coat finishes for the proprietary extrusion and feet—ensuring full aesthetic cohesion without compromising on performance.

Cooee's signature Tool Rail enables quick mounting of accessories including whiteboards, shelves, and hooks—empowering users to reconfigure and personalise their space with ease. Corner connectors and end caps extend layout possibilities, making Cooee Spaces Walls a truly versatile system.

From offices to education settings, Cooee defines space with clarity, acoustic performance, and design-forward thinking.

How to Specify

Select 1 x PET Color

Select 1 x Powder Coat Finish

Refer Product Specification Guide

cooee spaces wall

Walls » Freestanding Walls

Composition Density 0.5 lb/ft² 2.4 kg /m³

PET Colours Refer Color + Finishes

Material 60% post-consumer recycled PET bottles.
35% pre-consumer recycled content from PET chips
5% bio-based Polylactic Acid (PLA)
Accessories: Steel + PET insert/liner with powder coat finish

Powder Coat Refer Color + Finishes

Dimensions 34" (867 mm) w x 78" (1969 mm) h x 3" (75 mm) d
48" (1207 mm) w x 78" (1969 mm) h x 3" (75 mm) d

Fire Rating ASTM-E84 – Class A classification
AS ISO 9705 – 2003 – Group 1 classification
EN-13501 – B-s2-d0 classification

Made In USA

Lead Time 8 weeks

Assembly & Delivery Flat pack delivery, minimal assembly required.
See installation instructions for detail.

Care Instructions

Dab func. with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water).

To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Warranty

5-year warranty. Visit baresque.com.au/warranty for complete details.

Additional Comments

To see how vivid the colors truly are, it's easy to request a sample through the "Request information" button on this page, or you can ask for one from your local sales guru
